

## DuPage Water Commission Speaks at DuPage Environmental Commission

Date: Thursday, January 21<sup>st</sup>, 2010

On Wednesday, January 13<sup>th</sup>, 2010, DuPage Water Commission Water Conservation Group Members Jenessa Nesbitt and Terry McGhee spoke at the DuPage Environmental Commission January meeting. The main topic for discussion was the Water Conservation and Protection Program (WCAPP) but the DuPage Water Commission itself was also discussed.

The DuPage Environmental Commission is an advisory panel to DuPage County on environmental issues. They are responsible for assembling and sponsoring the annual Environmental Summit.

After the presentation was given, next year's topic for the Environmental Summit was discussed. It was recommended that water conservation be the topic and it was unanimously approved by the commission.

The Commission will be contacting the DuPage Water Commission this year to be a speaker and sponsorer of the 2011 Environmental Summit.
