

## **DuPage Water Commission**

### **Job Posting**

#### **Field Maintenance Technician**

The DuPage Water Commission, operator of the second largest waterworks system in Illinois, is seeking a full-time, experienced Field Maintenance Technician to perform instrumentation calibrations, repairs of electronic, electromechanical, and mechanical equipment at remote facilities that support the water distribution system throughout DuPage County. Day shift Monday thru Friday.

The qualified candidate for the Field Maintenance Technician shall possess a High School diploma or equivalent and a technical/trade school degree/certificate or have equivalent technical skills and experience; a minimum of 2 years' service experience maintaining electronic and/or electromechanical equipment, good mechanical aptitude, and use of basic Microsoft applications. An equivalent comparable amount of training, education or experience will be considered. Some heavy lifting and working in all weather conditions is required. Candidate should also be able to work at high heights and be able to perform work in confined spaces. Previous field service experience would be beneficial.

The qualified candidate must possess a valid Illinois driver's license.

This position is covered by the International Union of Operating Engineers Local 399 Collective Bargaining Agreement.

This Field Maintenance Technician is an entry level position. Starting salary will depend on qualifications and experience. Candidate must complete a DuPage Water Commission employment application accompanied by a resume. All paperwork needs to be submitted to Cheryl Peterson, Financial Administrator at [Peterson@dpwc.org](mailto:Peterson@dpwc.org) or mailed to DuPage Water Commission, 600 E. Butterfield Road, Elmhurst, IL 60126-4642, Attention: Financial Administrator (Field Maintenance Technician).

The Commission provides a comprehensive benefits package.

If you have any questions regarding the application documentation information, please contact Cheryl Peterson at 630-834-0100 Ext. 1913.
