

## Preserving Every Drop Represented at Rescheduled Earth Day Events

Date: May 21, 2019

Earth Day weekend (April 27-28) had an unexpected snow storm so both the [SCARCE](#) Earth Fair and [Cosley Zoo's](#) Party for the Planet were rescheduled to join different events in May.

On Saturday, May 11<sup>th</sup>, a representative from DuPage Water Commission handed out Preserving Every Drop items at SCARCE's [Garden Market](#) where attendees could shop for local and sustainable garden goods including: native plants, sustainably grown seedlings, local honey, and rain barrels.

On Saturday, May 18<sup>th</sup>, Preserving Every Drop items were handed out at Cosley Zoo's [Endangered Species Day](#) where attendees could learn about endangered species in Illinois and around the world.

Preserving Every Drop items included rain gauges, shower timers, leak detection tablets as well as informational pamphlets on water conservation.
