Commissioner J. Healy called the meeting to order at 5:50 P.M.

Committee members in attendance: J. Healy, J. Broda, K. Rush and J. Zay

Committee members absent: P. Gustin

Also in attendance: J. Spatz, D. Cuvalo, J. Rodriguez, A. Stark, and P. Luetkehans of Luetkehans, Brady, Garner & Armstrong LLC

Commissioner Broda moved to approve the Minutes of the September 16, 2021 Administration Committee meeting. Seconded by Commissioner Rush and unanimously approved by a Voice Vote.

All voted aye. Motion carried.

Commissioner Healy asked if any Committee members had any questions on the three Resolutions and one Request for Board Action presented on the Agenda. Hearing none, it was consensus of the Committee Members present to recommend the Resolutions and Request for Board Action to the full board for consideration.

Discussion began regarding legal services. General Manager Spatz gave a brief background on how our current legal counsel was obtained when the staff attorney was replaced in 2012. He noted at the time of this decision, it was decided to go to a local lower cost firm for general Board Meeting legal matters with the understanding that there is budgeting for special legal services with additional resources that may be required. General Manager Spatz brought forth some law firm options from when the staff attorney was replaced.

Discussion ensued regarding how to go about selecting these special legal services. General Manager Spatz noted the following items that may need second or third legal opinions:

- Language related to the City of Chicago's Water Supply Contract,
- How that language would affect agreements with the Commission's customers,
- Oak Brook and Aqua issues related to their Charter Customer Agreement.

Resulting from the above discussion, the Committee members agreed that Luetkehans, Brady, Garner & Armstrong LLC will recommend some legal firm options and work with staff on bringing those recommendations to the Board for the January board meeting.

With no further discussion, Commissioner Healy moved to adjourn the meeting at 6:00 P.M. Seconded by Commissioner Broda and unanimously approved by a Voice Vote.

All voted aye. Motion carried.

ITEM	<p>A Resolution Suspending the Purchasing Procedures and Authorizing the Execution of a Consulting Agreement with IT Savvy LLC for IT Cyber Security Services at the April 21, 2022, DuPage Water Commission Meeting.</p> <p>Resolution No. R-23-22</p>	APPROVAL	
<p>Account Number: 01-60-629000 (\$141,672.85)</p> <p>Resolution No. R-23-22 would approve a Consulting and Network Cyber Security Services Agreement with IT Savvy LLC in connection with the Commission's Administrative and SCADA Networks for a twelve-month term.</p> <p>The Commission relies heavily on the Administrative and SCADA Networks to perform the critical daily operating tasks of the Commission. Cybercrime is considered the most prolific threat to all types of public utilities. Historically, the commission used various IT security solutions to address basic network security.</p> <p>The Commission's position for Cyber or IT Security is to be at the forefront to protect our network systems; therefore, the Commission implemented FireEye Enterprise Network Security and it has proven to be a vital tool in securing our networks. It has blocked several malicious foreign attacks on our system, protecting us from malware to ransomware, and has continuously safeguarded our endpoint users. In addition to the continuous monitoring, we have a team that is available 24/7 to update and inform us of our system health and walk us through security events.</p> <p>The Commission uses ITSavvy for IT and network support. ITSavvy represents FireEye, one of the leading IT Security Firms in the country, the Commission currently uses two of FireEye's basic services to protect email and user endpoints. With the escalation of cyber-attacks within the government and critical infrastructures, the Commission has enhanced its IT security with FireEye's Managed Defense service that provides round-the-clock vigilance, investigation, and mitigation solutions to any type of security breach.</p> <p>The FireEye Enterprise Network Security solution enables rapid detection and response to evasive threats missed by traditional defenses, across network/web, email, and file systems. For these reasons and the secure and sensitive nature of being a critical infrastructure, the Commission staff recommends the continued use of the FireEye service under ITSavvy and authorize the General Manager to execute a twelve-month agreement with IT Savvy LLC in the amount of \$141,672.85.</p>
