REQUEST FOR BOARD ACTION

Date: 4/11/2024

Description: **Authorize the Purchase of one (1) 2024 Ford Transit Van via the Suburban Purchasing Cooperative**

Agenda Section: Administration Committee

Originating Department: Operations & Instrumentation

The FY2024/2025 Annual Budget includes \$100,000 for a full-size Ford Transit Van and ancillary equipment installation to be used by the Operations & Instrumentation Department primarily as a service vehicle for the Meter and Instrumentation Technician to facilitate the annual removal and replacement approximately 265 Commission meters at the Commission's 84 Meter Stations for the annual Customer Meter testing Program. The vehicle will also be outfitted to perform the servicing of various forms of instrumentation found throughout the Commission's service area.

The purchase of the 2024 Ford Transit Van would be through the issuance of a purchase order to Currie Motors, of Frankfort Illinois, under Contract #207 of the Suburban Purchasing Cooperative - Joint Purchasing Program. The Suburban Purchasing Cooperative is a joint purchasing program sponsored by the Northwest Municipal Conference, DuPage Mayors & Managers Conference, South Suburban Mayors and Managers Association, and the Will County Governmental League.

Approval of this Request for Board Action would approve the purchase of one (1) 2024 Ford Transit Van in Fiscal Year 24/25, pending Board approval of FY-24/25 Management Budget at the discounted price of \$79,005.00. The outfitting of the vehicle with warning/emergency lighting and radio equipment will be addressed through separate purchases.

Recommended Motion:

To authorize the General Manager to purchase one (1) 2024 Ford Transit Van from Currie Motors Frankfort in Fiscal Year 24/25, pending budget approval, in an amount of \$79,005.

DC RCB CAP PDM

REQUEST FOR BOARD ACTION

Date: 4/9/2024

Description: **A Resolution Suspending the Purchasing Procedures and Authorizing the Execution of a Consulting Agreement with IT Savvy LLC for IT Cyber Security Services**

Agenda Section: Administration Committee

Originating Department: Systems & Information Technology

Resolution No. R-32-24 would approve a Consulting and Network Cyber Security Services Agreement with IT Savvy LLC in connection with the Commission's Administrative and SCADA Networks for a twelve-month term.

The Commission utilizes the Administrative and SCADA Networks to perform the critical daily operating tasks of the Commission. Cybercrime is considered the most prolific threat to public utilities. Historically, the Commission has used a variety of IT security solutions to address basic network security. The Commission's objective for Cyber and IT Security is to be at the forefront to protect our network systems.

With the escalation of cyber-attacks within the government and critical infrastructures, the Commission enhanced its IT security with Mandiant's Managed Defense service in 2018. This service provides round-the-clock vigilance, investigation, and mitigation solutions to any type of security breach. It has proven useful in blocking malicious foreign attacks on our system, protecting us from malware to ransomware and continuously safeguarding our endpoint users. The Mandiant Enterprise Network Security solution enables rapid detection and response to evasive threats missed by traditional defenses, across network/web, email, and file systems. This cyber security solution includes utilizing IT Savvy for associated network support.

The Mandiant Managed Defense service is broken down into three cost elements: the NX appliance licensing and bandwidth capacity, the annual cost for the managed defense team coverage and

support, and the quantity-based node coverage for our network appliances and end-user systems. This year's renewal of the managed defense service will be \$132,719.15 compared to last year's service agreement, which reached \$123,293.64. While there were no significant modifications to the services this year, the price has increased due to an adjustment to the appliance licensing cost and bandwidth capacity.

For these reasons and the secure and sensitive nature of being a critical infrastructure, the Commission staff recommends the continued use of the Mandiant service under IT Savvy and authorize the General Manager to execute a twelve-month agreement with IT Savvy LLC in the amount of \$132,719.15.

Motion to approve Resolution No. R-32-24.
